Collect GUTEX return pallets

- 1 Check identifier 
- 2 Stack pallets securely for loading, do not slot or strap them together
- 3 Faulty pallets at the top

Request free collection

Arrange an appointment with Boomerang and state the quantity of GUTEX return pallets to be collected – optionally combined with Boomerang pallets from other affiliated building material suppliers.

Free access for the truck

Collection will be in 5 to 10 working days.

Hand in hand for the climate

Every cubic metre of GUTEX wood fibre insulation processed contributes to climate protection. We want to do even more and are now returning our wooden pallets to the transport cycle in cooperation with Boomerang – full service for you included.
